

Hazards Awareness Train the Trainer

FREE

October 19th, 2006

3:00 pm - 5:00 pm

**Red Lion Hotel Pasco
2525 N. 20th Avenue
Pasco WA 99301**

Presented by Chuck Bailey

Member, International Association of Bridge, Structural and Ornamental Ironworkers

Former Executive Director, Build It Smart

- ◆ Create awareness about hazards associated with construction work
- ◆ Establish the role all workers can take in hazard identification and hazard elimination
- ◆ Identify and list best practices and sensible solutions that reduce or eliminate hazards
- ◆ Provide activities for group and individual problem solving for onsite hazards

Have questions: Contact Heather Winfrey at hwinfrey@RTC.edu or 425-235-2352 x 5582.

To register: Go to [http://www rtc.edu/CommunityResources/CCE/ComingEvents/](http://www rtc edu/CommunityResources/CCE/ComingEvents/). Any problems call Judy Amico at 425-235-2352 x 2217.

Sponsored by the Construction Center of Excellence, Washington State Apprenticeship Training Council, and the Industrial Safety Training Coalition.

Honoring Careers in Construction Week October 16 - 20, 2006
